OFFICE OF THE COMPTROLLER TO THE GOVERNMENT

No. 572 Pen/Encl. one file Bangalore, Dated 6th March 1940.

FINANCIAL SECRETARY GOVT. OF MYSORE

From

M. VIRARAJA URS, Esqr., B.A., B.L.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To

A. N. Raghavachar Esq., M.A.,
Financial Secretary to the Government of Mysore,
Bangalore

Sir,

I have the honor to forward herewith for orders of Government an application for extra-ordinary pension on behalf of the family of the late Honni Keriya, Forest Guard, Hunsur Range, received with letter No.E.176-747-38 dated 11-10-39 from the Chief Conservator of Forests in Mysore, Bangalore, which is also enclosed in original for reference.

In his above letter the Chief Conservator has stated that the Guard was killed by a wild elephant on 25-7-1937 while on duty in the Mavakal State Forest, Hunsur Range. This fact is supported by a copy of the Police investigation report signed by the Amildar of Periyapatna on 12-3-38.

As stated by the Conservator, the total service put in by the deceased is 12 years 4 months and 25 days. It is further seen from the Chief Conservator's letter that he was appointed in a permanent vacancy but it is not borne out by an entry in the Service Register that he was confirmed in his appointment at any time. Thus it cannot be said that his acting service counts for pension under Art.233 M.S.R It is however open to Government to sanction an extra-ordinary pension of Rs.6-8-0 (equal to half of the pay last drawn by the deceased) to Kencha the elder of his two sons for a period of 12 years from 26-7-1937 under Articles 353(iii) and 355 b(ii) of M.S.R. for the support of the family.

As the pensioner is a minor, 7 years old, the pension will have

to be paid to his guardian during his minority and hence the question of production by him of a security bond does not arise.

All the records are enclosed for reference.

I have the honor to be,
Sir,
Your most obedient servant,

M. Vinayakam
Comptroller
